## NYPD Presents Award to Ward Service Manager Frank Mach

**SAN ANTONIO, TX, October 27, 2009** – Lieutenant Persio Polanco of the New York Police Department Fleet Services Division presented Ward Service Manager Frank Mach with NYPD's outstanding service award for Mr. Mach's extraordinary service and contribution in supporting the NYPD Fleet Fuel Control Unit. Mr. Mach was presented with the award at NYPD's Fleet Headquarters on October 27<sup>th</sup>.

“Frank has always gone the extra mile and has continually provided NYPD with valuable fuel management assistance. Frank is always accessible to NYPD no matter what the time or circumstance and does what it takes to ensure completion of the mission at hand. It is comforting to know that we have a support staff assigned to us that always rises to the occasion and helps us achieve our mission,” said NYPD Lieutenant Polanco.

“For over 30 years Ward has provided exceptional customer and technical support to NYPD. Mr. Mach has been an integral component of Ward's outstanding support to the entire NYPD fleet. Frank's strong customer focus and tireless work ethic is what makes Ward's entire team of service support personnel the best in the industry,” said Ward COO Troy Goldhammer.

Founded in 1974, Ward is a premier fleet asset management company. Headquartered in San Antonio, TX, Ward is a leader in developing advanced technologies for fleet asset and fuel management systems and solutions including fuel management, GPS fleet tracking and tire pressure management systems. Ward is recognized throughout the United States for ensuring fleet assets are accounted for and fleet usage is optimized.
