Kelley Handsor Joins Ward as Director of Supply Chain

SAN ANTONIO, TX, February 1, 2011 - E.J. Ward, Inc. (Ward), a leading fleet asset management company, announced the appointment of Ms. Kelley Handsor as Ward's Director of Supply Chain. As Director of Supply Chain, Ms. Handsor will manage Ward's purchasing and inventory control programs.

Ms. Handsor has extensive supply chain experience including inventory control, materials planning, purchasing, logistics, and production scheduling. Ms. Handsor's primary responsibilities at Ward combine all of Ward's procurement, logistics, and supply chain management activities. Ms. Handsor attended City College in Norman, Oklahoma and has numerous certifications.

Founded in 1974, Ward is a premier fleet asset management company. Headquartered in San Antonio, TX, Ward is a leader in developing advanced technologies for fleet asset and fuel management systems and solutions including fuel management, AVL fleet tracking and tire pressure management systems. Ward is recognized throughout the United States for industry leading technology and services that ensures fleet assets are accounted for and fleet usage is optimized. For more information, visit Ward's virtual pressroom at www.ejward.com.
