

# W4 Fuel Control Terminal

Highest Uptime Performance and  
Lowest Total Cost of Ownership

## KEY BENEFITS

- 100% secure user accountability
- Automated authorization
- Fast accurate fueling
- Controls multiple fuel and fluid hoses
- Configurable user interface
- On-line messaging display screen
- Other options available

## Highly Configurable Versions

- Fuel island
- Fuel truck mounted
- Wall mounted
- Maintenance kiosk
- Transit bay
- Car wash or gate access
- Retail card authorization\*
- Receipt printer\*

\* Requires additional hardware.

Multiple access methods  
& device options

## Advanced Fuel Control Technology

The W4 stand-alone fuel control terminal (FCT) interfaces with gasoline, diesel, CNG, propane, and any other fuel/fluid dispensing device. Fuel access and authorization methods are fully automated using Ward CANceiver, HID badge, key fob, magnetic stripe card, data key, keypad, or various entry combinations. Our FCT sets the standard for fuel control terminals with dependable performance in extreme environments.

*Intelligent fuel management turning information into actionable solutions.*

# Specifications - W4 Fuel Control Terminal

**Memory** 2 GB RAM  
 8 GB Industrial temperature SD card:  
 1MM+ Employees  
 1MM+ Vehicles  
 1MM+ Transactions  
 Memory & HD upgradeable

**Temperature Range** -40°C to 85°C industrial rated components

**Power** 115V; less than 2 Amps total current  
 SBC battery backed and line conditioning

**Display** 7 inch graphic display screen (800 x 480 pixels)  
 Industrial temperature rated  
 Readability in any light  
 Automatic night light

**Keypad** QWERTY  
 Audible feedback upon key press  
 Large easy press keys

**Operating System** Embedded Debian Linux

**Communication Methods** Hard wire Cat5/6 - TCP/IP  
 Cellular 3G / 4G (*optional data plans available direct from Ward*)  
 Wi-Fi - 802.11B/G/N

**Certifications**

California Environmental Protection Agency

**Dimensions** W x D x H (inches)\*

**Island** 20.6 x 12 x 61.6

**Truck Mount** 20.6 x 7.5 x 12.5

**Wall Mount** 20.6 x 12 x 24; 60 lb

\*Dimensions may vary slightly
